Marty,

This year was to unroll for the two of us.
"To live in hearts
we leave behind
is not to die."

There is so much to say I don't know
where to begin. We have had our differences
but I hope they will by-pass and we
always will keep in touch. I love you and
you know I always will, because what we
have shared together is something
very special. Please understand the
changes I have gone through, and the
pain I have caused you. You are something
special and to me you will always be!

Love

Dellie

P.S. Please keep in

MASTERPIECE THEATRE

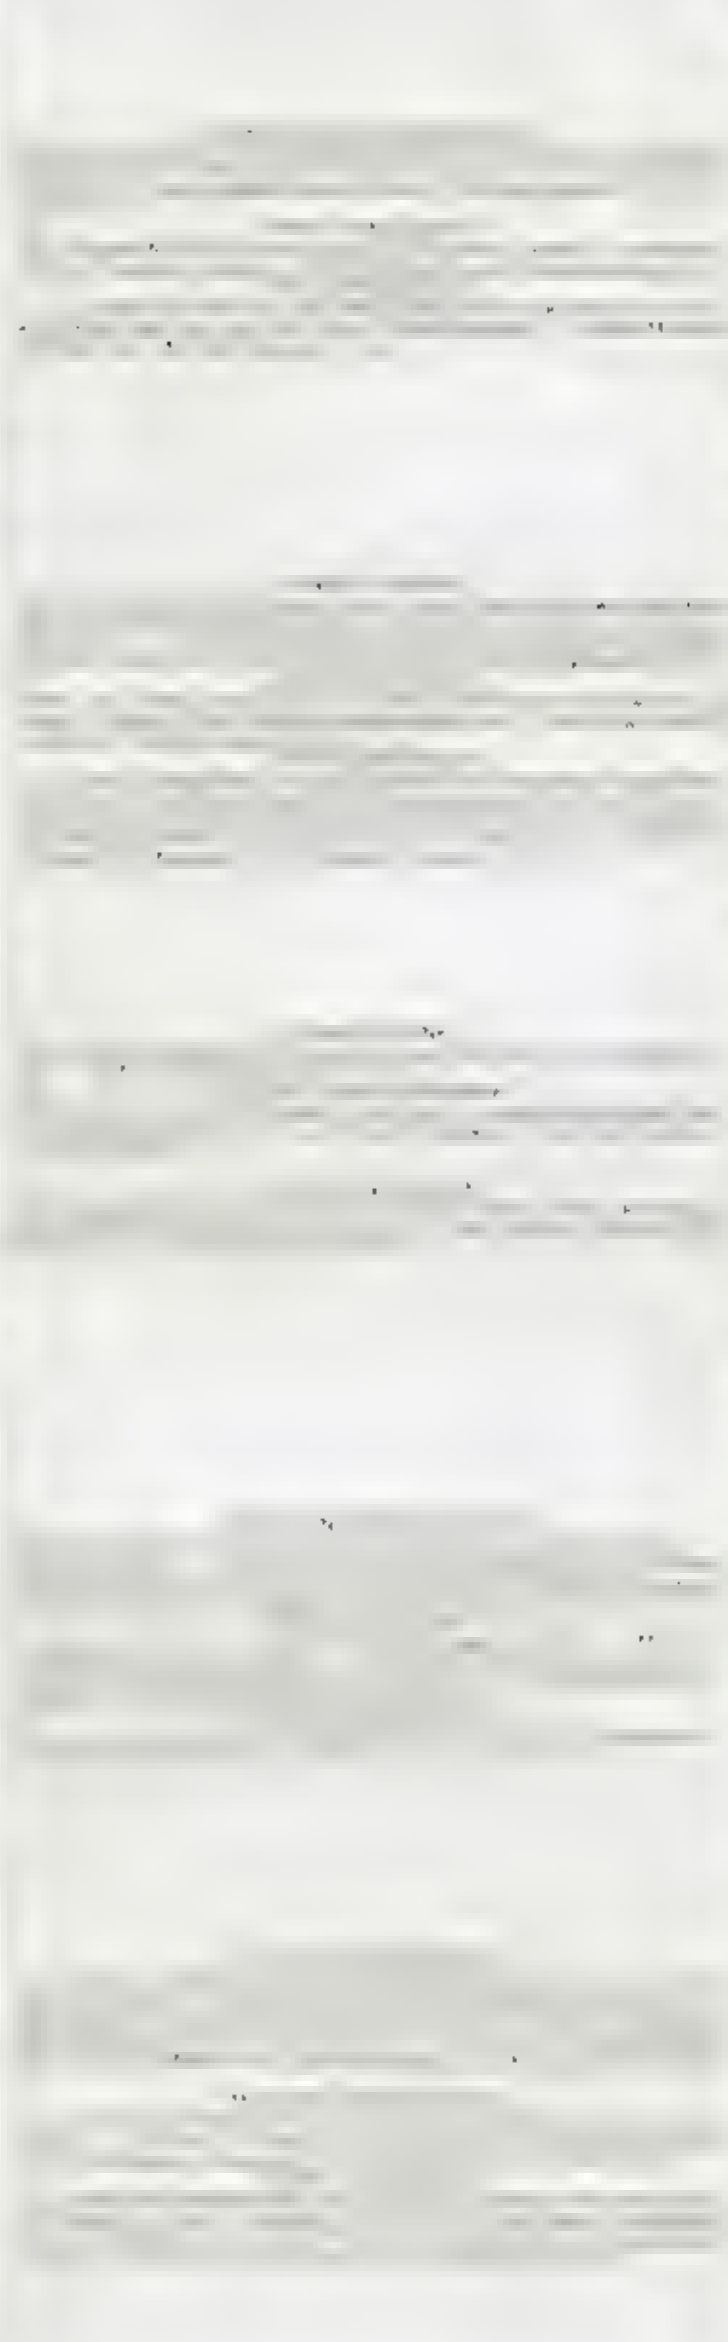

Senior year was a blast,

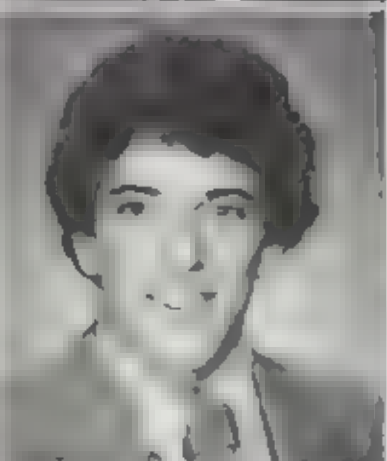

Since this season was our last.

We couldn't have cared less

About those d*!o*! aptitude tests.

The valley girls took us by storm,

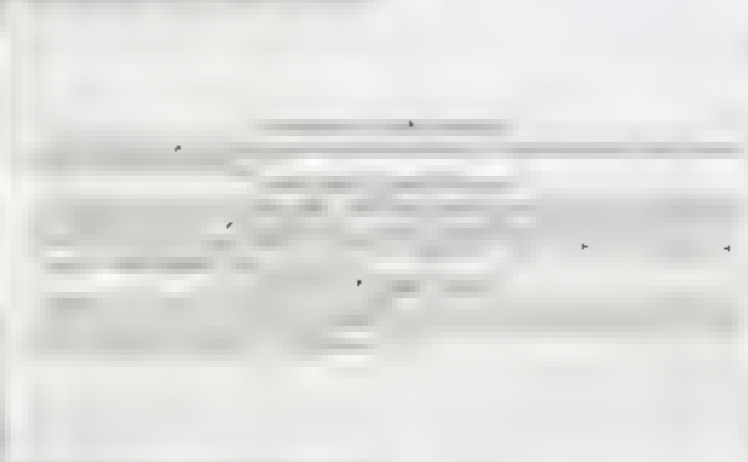

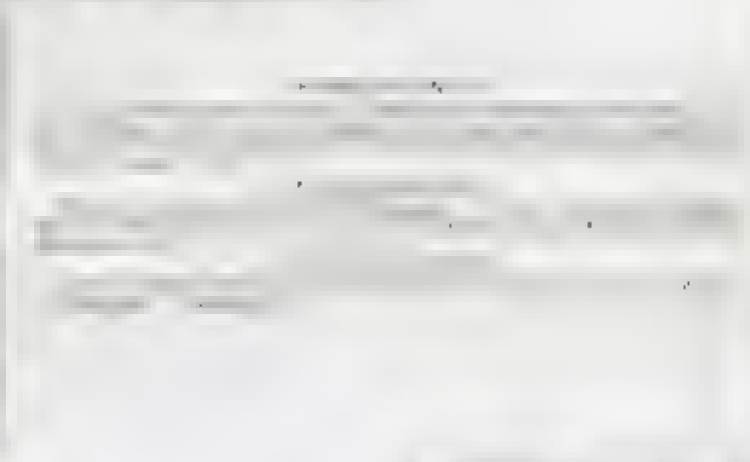

We wish they hadn't been born.

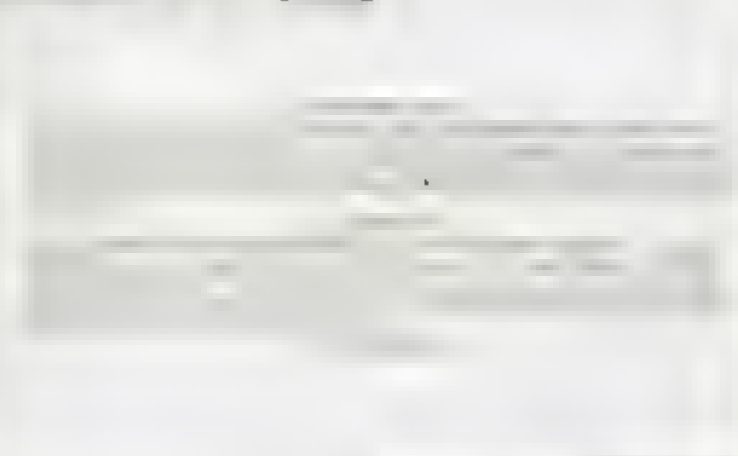

We watched our mailboxes with hope,

Only to find a thin envelope.

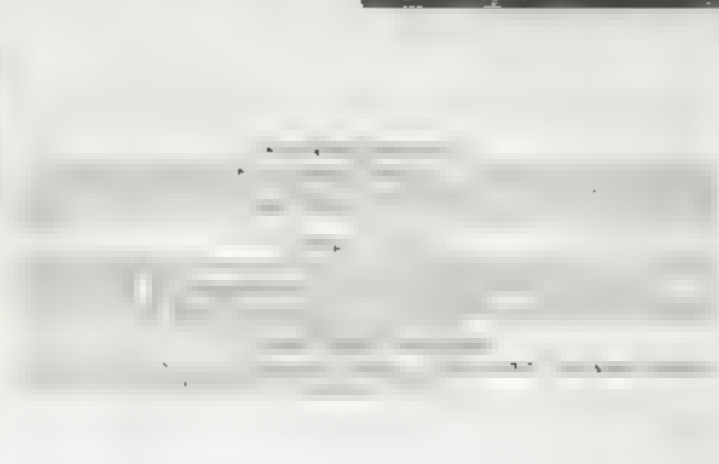

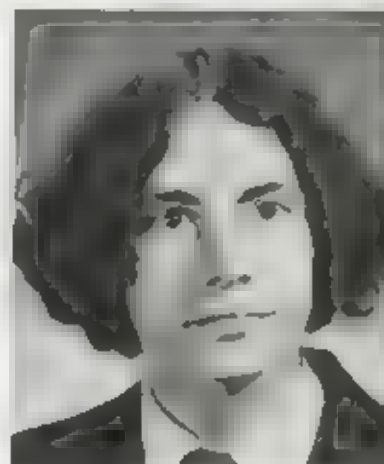

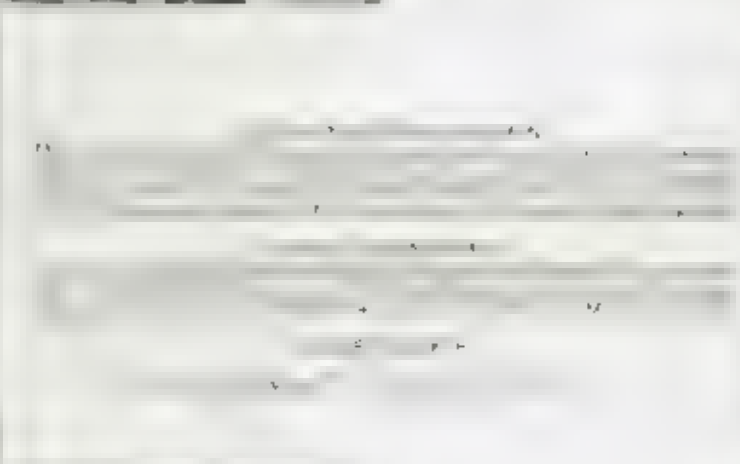

We all suffered from senior slump,

After the seventh semester hump.

Senior Ditch Day was the best,

We all took a much deserved rest.

As graduation draws near,

We wonder what the future holds.

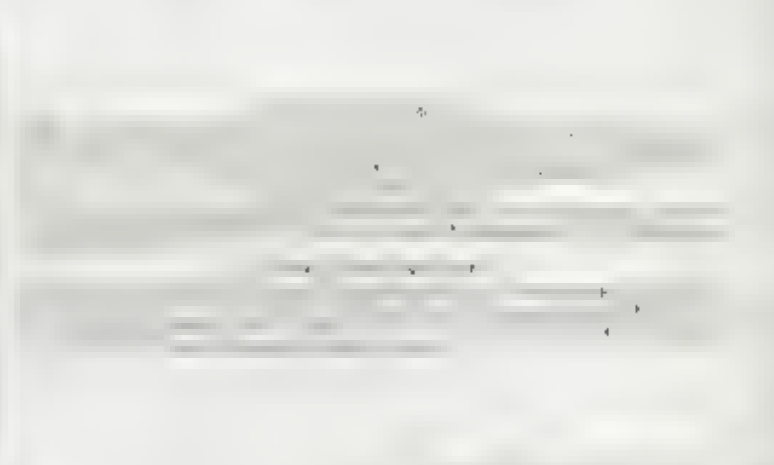

We all found appealism,

In senior surrealism?

The computer as "Man of the Year"

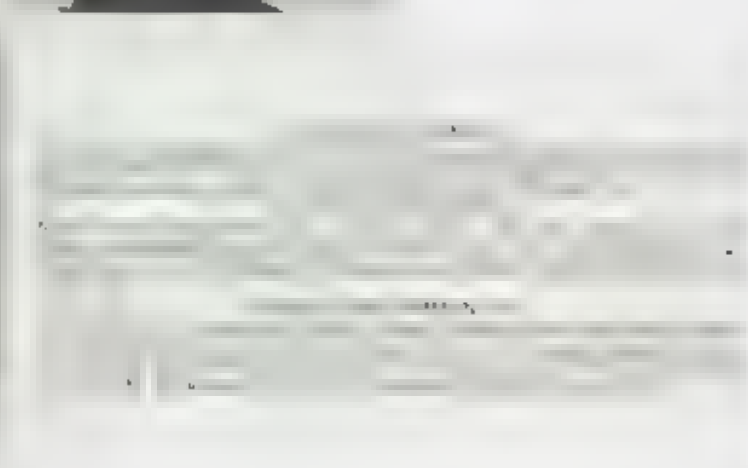

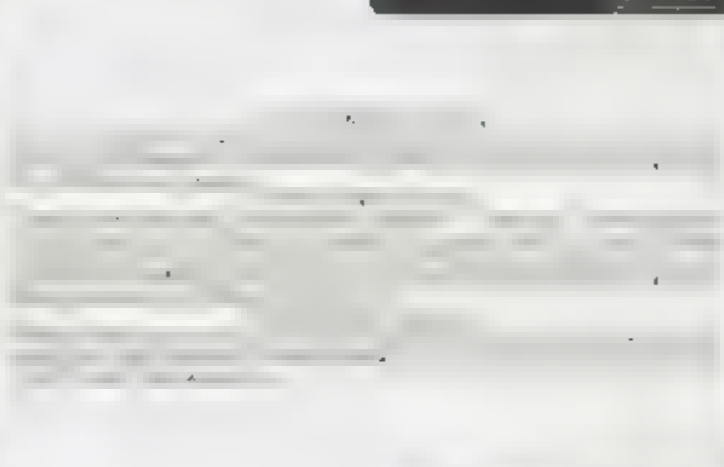

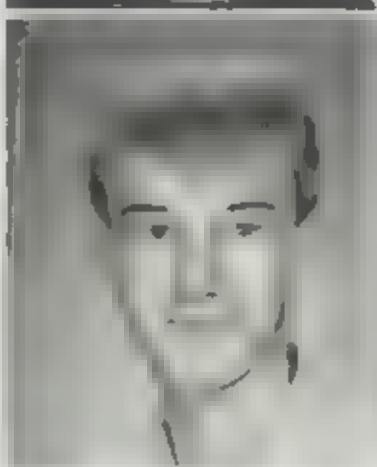

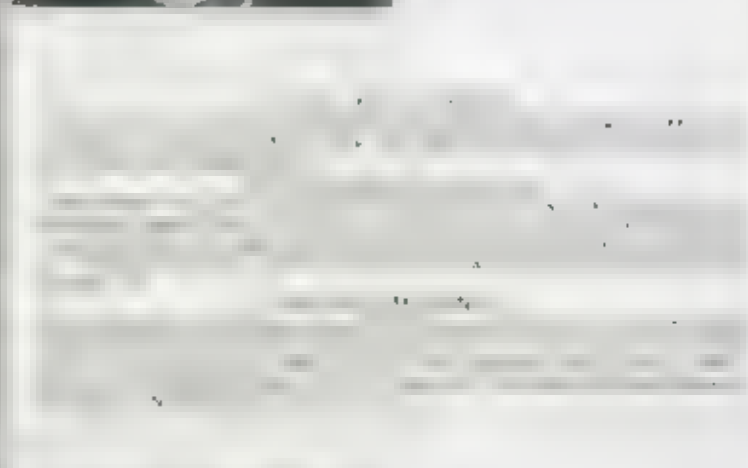

Took the Byte out of holiday cheer

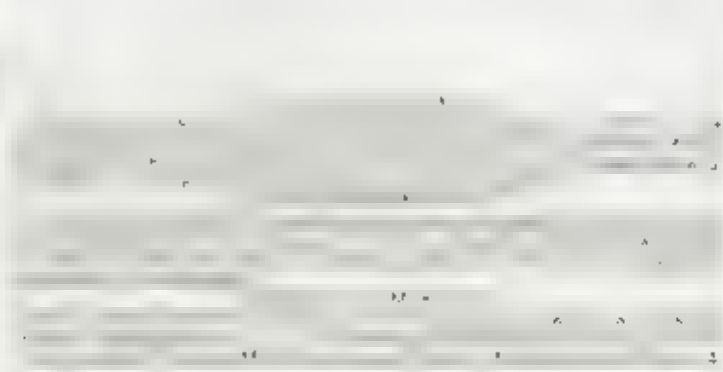

We were on the fall schedule in '79,

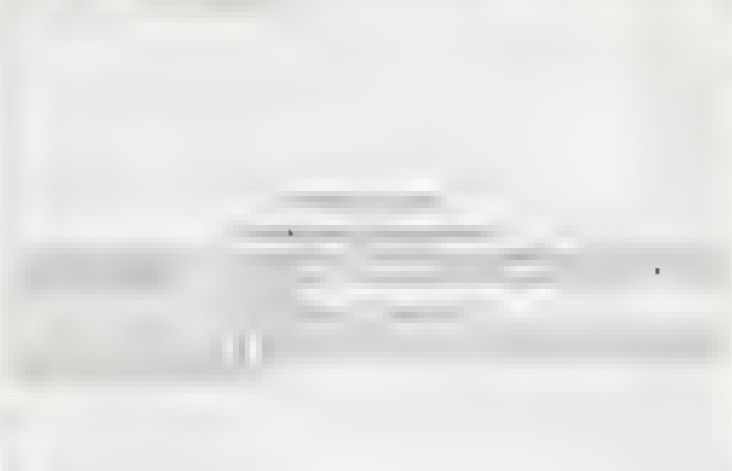

And critics agreed that we were fine.

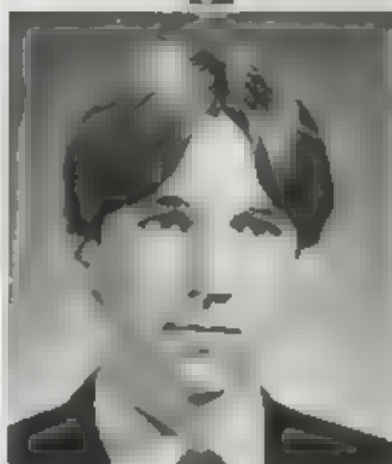

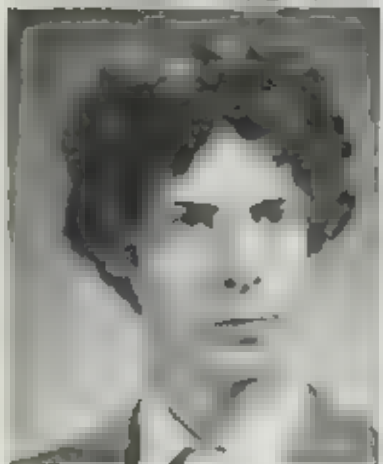

We've had "Good Times" in "Room 222,"

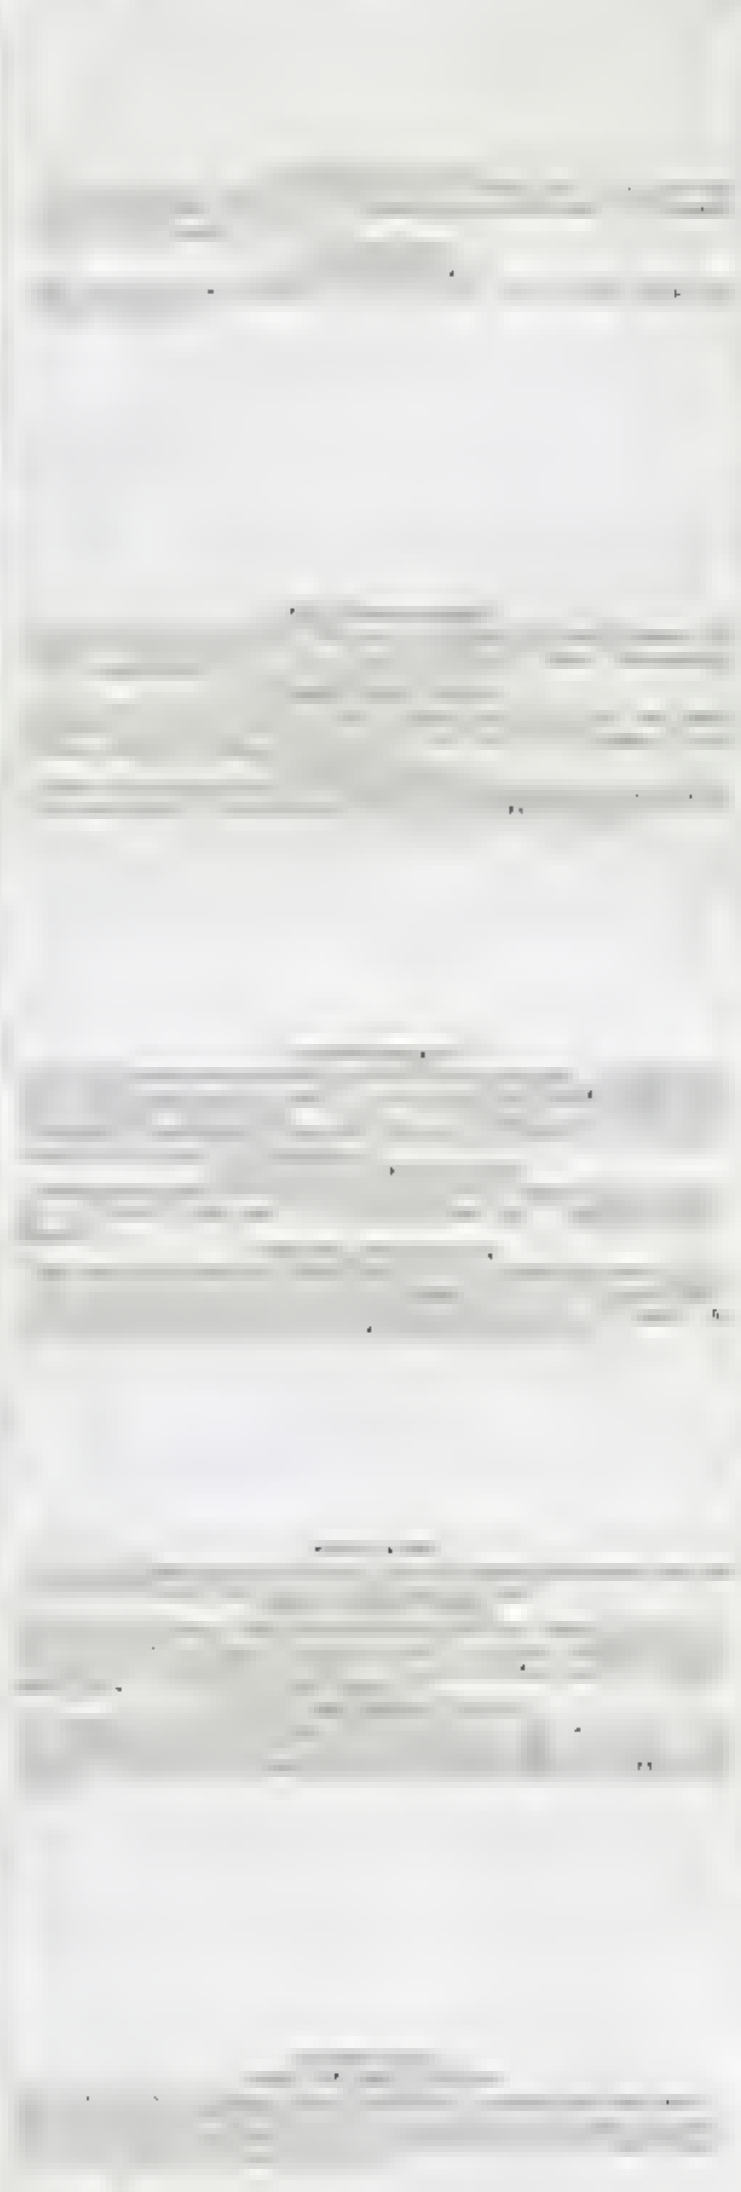

But now our high school run is through.

Though Nielsens show we're no flop,

We're leaving before our ratings drop.

When an English teacher assigns a paper, it is the beginning of an adventure. Students are sent on a frantic "theme" chase, hoping to find that one central idea that is the key to a successful paper. And with the excitement of the chase, nothing can stop them.

With Karla Schulte as Lake Forest High School's version of Lou Grant, the Forest Scout has turned into a paper that joins the two campuses together. Reporters from all classes worked to produce a first-class paper. New Columns like "Pick of the Parking Lot" and "Off the Wall" showed up to amuse all readers. Mr. Hajost was there to lend his advice. The bi-weekly paper came out on Fridays with the setting of the paper the week before. The Tribune and Daily Planet look out! The Forest Scout is on the way.

Young Idea beat the competition from the other channels and once again returned for a new season. Mrs. Lowey and editor Bonnie Ross turned the members into a fine staff and good critics of material. The annual Advent Calendar sold as expected and the staff was on the lookout for stories, poems, and art that would produce the best magazine ever. The Young Idea bulleting board was prominent again with magazines of the past and art work etc. The poster was as spectacular as ever and the future looks good for seasons to come! With the two campuses joining, a staff of all classes can be achieved as well as more stories submitted from under classmen

A typical yearbook scene

This year's yearbook staff was busy deciding the t v guide schedule. All the hassles and worries of the season occurred and were not solved. Just Kidding! It's not my fault, Stacey! . . . You're the editor, it's your decision . . . It's all under control, (Chris) . . . Not another play! (Diane) . . . I hate cropping! (Annabel) . . . Parvin, do you have a bucket? . . . And in the corner, Georgie, the only calm one in the bunch . . . Mrs. Silber! It's here someplace.

Drama Club was another new addition to the ABC Afterschool Special and Mrs. Alleman and Pres. Marilyn Burke worked hard to keep it there. With about 12 members, five of whom are shown above, the club was a sure success. A caramel apple sale was held to finance field trips to area professional plays. Short plays for younger children and an act for talent show were being planned. Discussion, pantomime, and improvisation were all a part of Drama Club.

Debate Club was under the leadership of Mr. Richards officers Doug & Mike Beck, Georgette Plimi, and Mike Putrus. Seen mostly at both high school and college tournaments. Debate Club is sure to be renewed next year!

The Apple Panic/Computer Club of East had members in afterschool playing games, talking computer lingo or just reading magazines almost everyday. Mr. Benton and Mr. Fossell gave advise and were planning to do some kind of contest second semester. A total of ten Apple II computers were in the school, two in the science wing and eight in the A-V center.

The Microcomputer Club of West campus was under the leadership of Mr. Fincutter and Pres. Henry Newcomb, V.P. Dan Considine, Sec. Alyna Chien and Treas. Tarik Khatib. The sale of Entertainment '83 coupon books was held to raise money. A computer game tournament was held as well as monthly meetings on topics of interest to all members.

The Illinois Future Problem Solvers sponsored by Mr. Spooner was a good addition to the schedule of PBS and channel 11. If finding solutions to tough questions appeals to you, then this was the club for you. Under the leadership of captain Steve Anderson, the team was preparing for the state contest held in May.

Bowling Club was a new addition to the airwaves and held a good share of the audience. With the help of Mr Hjortness and Mrs Lederhaas, the club was very active. Every Wednesday the Libertyville Lanes were thundering with the sound of the LFHS bowlers getting strikes and spares. All of the four-member teams are vying for trophies and who knows, we may have a future champion campus!

CH. 2: DRAFTING AND M CAREERS

Drafting Club: Brian Borg, Michele Gladstone, Joe Harris, Paul Herstrom, Dan Holtman, Bob Kamm, Kurt Koenigberg, Greg Marino, Todd Mueller, Megan Ryan

Under the leadership of Pres. Todd Mueller and advisor Mr. Penick, drafting club was successfully started. The main goal of the club is to give interested students a chance to explore the opportunities and the drafting field in greater depth.

With advisors Mrs. Lent and Mrs. Phillips, Pres. Kevin Jadvani, V.P. Phil Co and Sec. Annabel Co led the Medical Careers Club on a busy schedule which kept the viewers glued to their seats. A trip to IIT and Rush University kept all informed about the medical field. Stockings were stuffed for the Red Cross and plans for the Valentine Candygram sale were made. The season ended with the student blood drive held in May. And as the club found out, the teachers were bigger chickens than the students. Look out Marcus Welby and Trapper John, Medical Careers is on the move.

Radio Club replaced WKRP on the airwaves this season and swept the audience off its feet. Providing music six periods a day kept the disc jockeys and station managers and Mrs. Elmore busy. Besides giving us a sample of music, announcements were made to keep all informed of upcoming events. A field trip was taken in November to see WFYR and the work put into a real station and WLFH compared favorably. Thanks to these dedicated workers, male and female, Lake Forest High School had the best of the music world.

The Varsity Club is open to all students, male and female, who have earned a varsity letter. Unfortunately, because of practice conflicts, we were unable to assemble the whole group after school. While the club does not meet regularly they are continuing in their tradition of service to the school including their ushering duties at various plays and athletic events.

Our foreign exchange students are continuing in their tradition of helping us broaden our perspectives.

With the support of director Mrs. Cecil, the Forester Singers started another busy year. The forty-seven member group was very active performing at private parties, country clubs and other places. At Christmas time, caroling at Old Orchard shopping mall and in the Lake Forest business district was the name of the game. The annual citrus fruit sale was successful and helped raise money for the trip to Italy during the spring break. Stops included Rome, Venice, Milan, and Florence.

The Swing Choir is composed of 10 Foresters and combines dance and song. Practicing after school for competitions kept all occupied.

The Madrigals is another group formed out of 16 Foresters. In the interest of spreading a little of Merrie Olde Englande, a highly successful Madrigal Evening was given. All decked out in the Medieval finery, Dances and songs were performed. Jesters enticed and plum pudding and wassai were tasted by all.

The two groups on these pages are enough to threaten the ratings of Lawrence Welk. The orchestra was under the guidance of Mrs. Schmidt and kept busy learning new music, etc. Performing the Messiah at the Pops Concert was the crowning achievement. Band and Jazz Band were under the tutelage of Mr. Borich and when they weren't busy practicing for the various concerts held, musicians could be found everywhere. The pep band was seen at football games and basketball games, was made up of musicians from the larger band. Whenever you hear the school song played with a lot of enthusiasm, you know it's the pep band. With people from all classes, the band is here to stay!

Homecoming 1982: Whatever

Happened to the Class of '65?

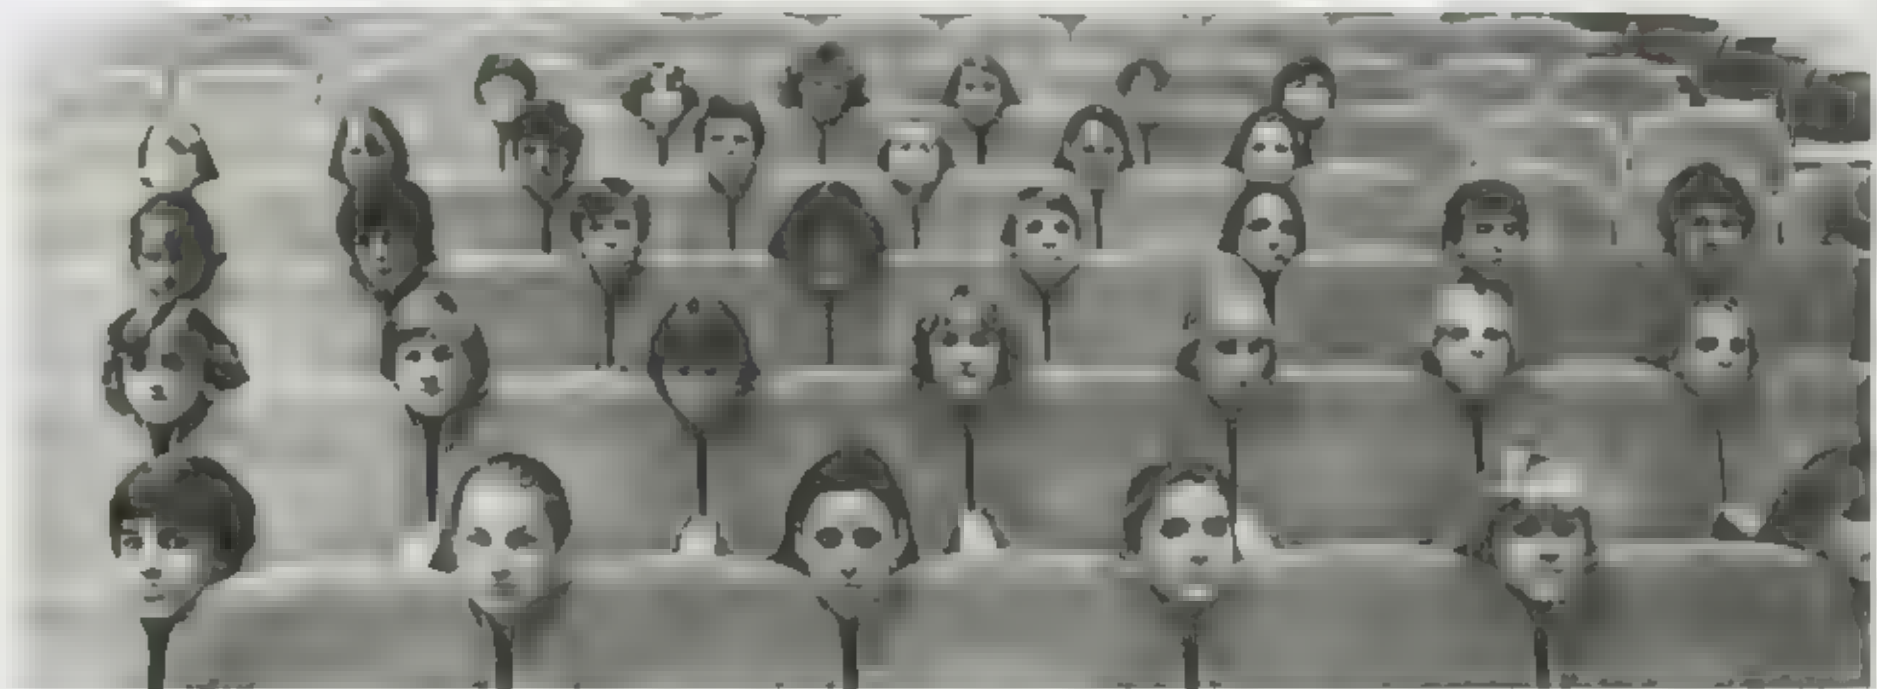

This year's Homecoming was a tremendous display of school spirit. The week of the game many clubs decorated shop windows in Lake Forest. At the school, classes and clubs decorated their classroom doors. Mrs. Silber's second and third period honors English classes won the prize for the best door at West Campus and the Drama Club won at East Campus.

Other activities included the Powder Puff football games during the lunch periods, Scout Day, Blue and Gold Day, the All-School Pep Rally at East, and the West Campus bonfire where a Viking was roasted.

Homecoming Queen, Nina Unkovskoy, and her court, Lynn Kucera, Pam Santostefano, Pam Anguli, Sember Cortesi, and Julie Creath reigned over the football game when the Scouts beat the Niles North Vikings. The day concluded with an informal dance.

This year's musical production was "Once Upon a Mattress," a comedy loosely based on the old fable of "The Princess and the Pea." The cast, which worked hard to put on a terrific performance, was directed by Jay Criche with musical direction by Virginia Cecil and choreography by Sandy Ragsdale. From Lady Larkins and Sir Harry's serious love songs, sung by Linda Kolterman and Chris Taylor, to Princess Winnifred's and Prince Dauntless' funny songs and dances, sung and danced by Kate Kreitzer and Bill Dallman, the show was a huge success and all round great entertainment. The musical set, including towers which suggested a castle and a bed with twenty mattresses, was professionally constructed by Technical Director Dave Miller and his crew. The set, lighting and special effects created by Tech Crew provided a decorative and realistic background for the production.

Theatre West: A Patient In 4B

Theatre West aired "A Patient In 4B" near the end of October. Directed by Louise Chapman and Barbara Papp, the play was a murder mystery set in a nursing home in England in the 1940's. The cast included Laura Chavariat (the patient in 4B), Elisabeth Cochrane, Melissa Remus, Sally Pelinka, Janet Starr, Julie Hasselbring, Denis Duffy, Janet Beer, and Greg Harmon. The great deal of time and effort put into this play was evident in their fine performance. It is hoped that Theatre West will continue next year even though there will be no more West Campus.

Passion, Poison, and Petrification

I'm Dreaming, But Am I?

This year's student directed One Acts consisted of three very unusual plays. "Passion, Poison, and Petrification" written by George Shaw and directed by Adam Lazarus centered on a husband's plot to poison his wife's lover. Luigi Priandello's "I'm Dreaming, But Am I?" was directed by Susan West and was about a woman who confronts her lover in a dream and realizes her own selfishness. "God", a comedy written by Woody Allen and directed by Henry Wimmer centered on a Broadway theatre where cast members in the audience went up on stage to confuse the performers of a Greek tragedy. Head producer Betticlaire Irvinger and over 100 students worked together to put on these 3 diverse plays.
